Dear Parents/Guardians,

The Bishops of the United States have mandated that the **Child Lures Program** be implemented in every Catholic School and Religious Education Program. The personal safety program is currently used in over 1000 schools nationwide and has been featured on national television shows, including Oprah, NBC Today Show, CNN and 48 Hours. It is very important to you child's safety and well being.

The Child Lures School Program will help improve self-reliance, raise self-esteem and help students master safety skills. Students learn to identify specific lures used in crimes against youngsters. The program also teaches Internet Safety, Drug Resistance and School Violence Prevention. Once again, our Religious Education program plans to continue this successful program. This will take place during the regular scheduled class and will be presented by a Diocese Certified Child Lures Presenter .

Please sign the permission slip below. If you have any questions or concerns about this program please feel free to contact me. I will be happy to go over any of your concerns.

Sincerely,

Phyllis Niwinski
Director of Religious Education
