

KNIGHTS OF COLUMBUS

Monsignor Cafiero Council No. 7236

Charity, Unity, Fraternity, Patriotism for all!

The *Knights of Columbus* are the world's largest fraternal and religious organization of Catholic men, dedicated to promoting the four principles of our order: charity, unity, fraternity, and patriotism. We support the Holy See, Pope Benedict, with programs to affect his secular vision of the church's progress.

The purpose of our organization as it was conceived 120 years ago by our founder, Fr. Michael J. McGivney, was to bond together as Catholic men to aid one another in time of sickness or death.

We strengthen each other in the faith. We strive to be strong pillars of support to our priests and bishops, serving the church, community, and our families.
