

ST. JOHN THE BAPTIST SOCIETY

Our mission is one of charity and support for one another, and charity for the sick and dying.

St. John the Baptist is the patron saint and protector of the town **Pozzallo**, in Sicily, where many of our original members came from. We continue our devotion here, at Our Lady of Grace, and attract more like-minded parishioners.

WHEN:	Third Tuesday of each month
WHERE:	In the school cafeteria
TIME:	7:30pm

Once a month, we attend a mass devoted to St. John the Baptist.

What we do:

We pray to St. John for his continued protection, and we look after each other in little ways, such as providing food to members who are ill, sometimes by sending a *Coluccio* gift certificate.

We are there for one another.

We collect and donate money to the church.

Socially, we take trips to Atlantic City (4 times a year), meet for dinner, and have a Christmas party.

We have about 40 members!
