

ATHLETIC ASSOCIATION

Our stewardship mission is to develop our youth into future leaders and moral citizens.

We provide a wholesome atmosphere where our youth can grow in their talents and use their leadership abilities to the fullest, encouraging them to see themselves in a good light and to like what they see. We build his or her self-esteem with the idea that each individual is to be treated with respect. We also encourage team spirit and sportsmanship.

We are not interested in sports for the sake of sports, but rather sports leading to the maturity and independence of the youth we serve. We are very aware of what happens to our youth.

We have ongoing registration, fund raising, and maintenance of facilities as well as manager/coach/umpire/referee training and parent participation.
