

HOME CARE PROGRAM

To provide services to our frail, elderly, homebound parishioners or those of any denomination who require assistance.

What we do:

We provide home attendants to those requiring in-home care, cleaning, cooking and companionship for \$8 to \$10 an hour.

This provides us the opportunity to become familiar with the homebound of our community, and fulfill other needs as well, such as, scheduling the Sacrament of Anointing, and/or a visit from an Extraordinary Minister of Holy Communion

TIME: Time is determined by the needs of the client.

If you are a Home Attendant, and want to register with our program, contact us.
