

ALCOHOLICS ANONYMOUS***"AA Miracles" Chapter***

The mission of "AA" is to gain sobriety through mutual support.

Alcoholism is a terminal disease, and people need help desperately to get sober. If a person is willing to come for help, the AA program works. Through proven methods, we help each other *get* and *stay* sober. People learn how to cope, how to reach out for help, and how to support others in danger of relapse.

WHEN:	Every Friday evening (except Good Friday)
WHERE:	Rectory basement meeting room
TIME:	7 to 8pm

No dues are required, but donations of any amount are collected to help with the necessary expenses of rent, refreshments, and literature.

Some core volunteers perform extra service by coming early to set up the room, put the room back in order after the meeting, and serve as Chairperson, Treasurer, and Secretary for the membership.

Help is available for anyone who is suffering from addiction to alcohol. How do people find us? One way is word of mouth. Also, every Healthcare Professional knows about AA and can refer people to it. The parent "AA Intergroup" has a list of meetings all over the city, for people who call in to find a meeting. See the white pages of the phone book for Alcoholics Anonymous.

Alcoholics Anonymous is an anonymous, non-sectarian international organization, not directly affiliated with OLG.

Our chapter rents its meeting space from the parish for the benefit of everyone who wants help.
