

ARTS & CRAFTS

We use our time and talent to benefit our parish, and enjoy a pleasant, social atmosphere as we ply our skills, and learn new ones.

WHEN:	Every Wednesday afternoon
WHERE:	Rectory Meeting Room
TIME:	1:00 to 3 pm

What we do:

We knit or crochet, or do other crafts projects, to become items for fundraising, the homebound, Christmas Fair, and nursing homes. Along the way, we form personal relationships with one another.

By sharing our talents, we feel we "give back" to our parish and community. And, we have fun.

We have approximately 30 volunteers who knit, crochet, do needlepoint, and sew various projects for fundraising, the homebound, and nursing homes.

***Some volunteers work at home.
2-3 hours a week is all that's needed.***

Skills:

Knitting, crochet and other needlecrafts. Be willing to partake in teamwork.

Future projects:

We'd like to get new volunteers for making greeting cards for the elderly from stay-at-home moms, or students looking for service credit and from computer-savvy parishioners who can make computer greeting cards. New ideas are welcome.

We could always use more members. Please join us!
